

Stewards Sports Team Memberships

Rain or Shine

Have the comfort of knowing you have a place to practice each week rain or shine. We will lock in your desired 1.5 hours each week to help create consistency for your players and parents.

Stewards is very excited to work in collaboration with teams/coaches to help serve both baseball & softball athletes.

Stewards Sports Team Membership Facility

Stewards Sports Team Memberships include use of the private side with over 2,400 square feet of indoor, climate controlled cages and a true outdoor practice field equipped with bases, backstop, outfield fence and foul poles.

Stewards can meet all your teams wants and needs!
